Cedar Mountain Nordic Ski Club (CMNSC) is a nonprofit group formed for the purpose of promoting cross country skiing in the Cedar City – Brian Head – Duck Creek region. All adult persons with an active interest in Nordic skiing are welcome. Annual dues are \$10 for individuals, \$20 for families, and \$5 for students. We are interested in getting more student members. More details about XC trails and the club, including a membership application form, are given in its web page (under development) at: <http://www.infowest.com/personal/u/uherka/skiclub/cmnscl.htm>.
